

Report on Medicare Compliance Volume 28, Number 6. February 18, 2019 2019 Annual Compliance Training Quiz

ATI Physical Therapy in Bolingbrook, Illinois, gives this quiz to employees after they complete compliance training, and for the first time, they will lose merit pay increases and potential bonuses if they aren't trained by the deadline, says Chief Compliance Officer Lynn McGivern ("With Pay Increases Now at Risk, More Employees Complete Training," RMC 28, no. 6).
