

## Report on Medicare Compliance Volume 28, Number 7. February 25, 2019 Physician Queries: An Example of the Right and Wrong Ways to Go

---

Here's an example of a compliant and noncompliant query from a clinical documentation improvement specialist. It was provided by coding and clinical documentation improvement consultant Erica Remer, M.D. Contact her at [icd10md@outlook.com](mailto:icd10md@outlook.com).
