The HIPAA Balancing Act: Understanding Disclosures

By Nina Youngstrom

Trish Manna, corporate compliance officer and director of audit and HIPAA privacy at Greater Hudson Valley Health System in Middletown, New York, distributes this flyer to help employees navigate the HIPAA Privacy Rule (see story, p. 1). Sometimes employees won't disclose protected health information when it's permitted, and they may need reminders that voices carry. Contact Manna at tmanna@ghvhs.org.
