

Report on Medicare Compliance Volume 30, Number 13. April 05, 2021 MACs to Hold Claims While Waiting for Final Bill on Sequester Cut

By Nina Youngstrom

Medicare claims will be in suspended animation temporarily, as CMS waits for Congress to finalize legislation to prevent a 2% across-the-board payment cut to providers. CMS has instructed Medicare administrative contractors (MACs) to hold all claims with dates of services on or after April 1, 2021, for a short time until the fate of the moratorium of the so-called sequester cut is clear, "without affecting providers' cash flow," according to a March 31 special edition *MLN Connects*.
