

M3I Building Best-In-Class Compliance Programs for Small Organizations

Tracy Tracy, VP- Compliance and Legal, CCPO, NovuHealth.

April 19, 2021

- Learn how to manage big obligations in a small organization with limited resources. Your large clients/partners may see you as a source of risk. Make sure you have the right tools in place to be credible and effective
- Discover ways to ensure you are covering all of the essential elements of a compliance program. We'll discuss tools and strategies for being effective in all seven elements of an effective compliance program
- Explore how to identify your risks and win at audit responses. We'll discuss risk assessments and ways to use audits as important feedback for building a more comprehensive and stronger program for your organization
