

Reevaluating and Resourcing Your Compliance Program Post-COVID: What's Considered Adequate and How to Make Improvements Without Increasing Spend

Alexandra Wrage, President & Founder, TRACE.

May 7, 2021

- Applying risk-based strategies to allocate budget, manage third-party risk, and prepare for increased enforcement
- Identifying and addressing gaps, building on compliance wins and changes, and strengthening procedures
- Analyzing supply chain risks and leveraging internal resources to address compliance concerns beyond anti-bribery
