

45 C.F.R. § 180.80

Corrective action plans.

(a) *Material violations requiring a corrective action plan.* CMS determines if a hospital's noncompliance with the requirements of this part constitutes material violation(s) requiring a corrective action plan. A material violation may include, but is not limited to, the following:

- (1) A hospital's failure to make public its standard charges required by § 180.40.
- (2) A hospital's failure to make public its standard charges in the form and manner required under §§ 180.50 and 180.60.
