

Compliance Culture Case Studies Revealed Compliance Culture Case Studies Revealed

Margaret Scavotto, President, Management Performance Associates.

2022-01-10

- Understand how culture will make or break a compliance program.
- Using court cases and news headlines, recognize real-world fact patterns and decisions that shaped both negative and positive cultures, and their impact on compliance.
- Learn steps providers can take to promote a positive culture of compliance, as well as strategies to counteract negative culture forces.
