

Data, Metrics, Reporting: Powerful Tools for Driving, Improving, Monitoring and Maintaining Program Effectiveness

Tanja Gromadzki, Corporate Compliance Manager/Legal, Chewy.

2022-05-26

- Understanding where Compliance Professionals can find data within their programs.
- Don't sweat the small stuff!
- Data can be scary, but it doesn't have to be! Let's discuss how we can leverage data to help improve a Compliance Program's overall effectiveness.
- We have the data but what do we do with it? Let's start simple with data and work our way to more complete reporting and metrics.
