

How to Talk to your Pharmacist about 340B

James Junger, Attorney, Hall, Render, Killian, Heath & Lyman, P.C..

2022-07-11

- Describe the basic structure of a 340B program implementation at a hospital or grant-funded clinic.
- Illustrate the permissible and impermissible uses of 340B-priced drugs.
- Explain the roles of covered entities, contract pharmacies, and third-party administrators.
- Understand, at a high level, the challenges that covered entities currently face in the 340B program.
