

Report on Medicare Compliance Volume 31, Number 31. August 29, 2022

Assessment Tool for Restorative Justice Approach to Compliance, Safety, Other Incidents

By Nina Youngstrom

For compliance officers who are interested in a shift from retributive to restorative justice in their compliance programs, here's a tool to help evaluate reports of potential noncompliance, including HIPAA violations, adverse events and other incidents. It was developed by Marla Berkow, corporate compliance and privacy officer at Gateway Foundation in Chicago. Contact her at msberkow@gatewayfoundation.org.
