

How Compliance Creates Value for the Healthcare Organization

Jerry Shafran, President, YouCompli.

Ken Zeko.

Margaret Scavotto.

Lisa Herota.

2022-11-29

- Understand the importance of selling the value of the Compliance function in your interactions with peers and organization leaders.
- Articulate the value Compliance and reg change management bring to healthcare organizations of all sizes in five key areas: Effective compliance program mandate. Better patient experience. Reduced risk of fines. Increased revenue. PHI/HIPAA.
