

Report on Medicare Compliance Volume 32, Number 13. April 03, 2023

Grid for Monitoring Program for Evaluating Payment Patterns Electronic Report (PEPPER) Target Areas

By Nina Youngstrom

Here's a grid developed by the compliance auditor at a health system to keep track of PEPPER outliers at all its hospitals.^[1] "I can see all the hospitals in one place. I don't have to pull up the PEPPER results at all the hospitals separately," said the compliance auditor, who prefers not to be identified.
