Resource: Sample Risk Committee Charter

By Jose A. Tabuena, MA, JD, CFE, CHC

PURPOSE

The Risk Committee's primary purpose is to perform centralized oversight, policy setting, information gathering, and communication to executive management and the Board of Directors regarding [organization's name] important risks and its related risk management activities. In addition, the Committee shall assist the [Management/Board of Directors] in fulfilling its oversight responsibilities related to the organization's risk assessment and management processes.
