

Who's Afraid of Internal Controls? Not Me! Using Internal Controls to Make Higher Education Compliance Programs More Effective

Marisa Zuskar, Senior Director, Huron Consulting Group. **Deena King**, Chief Compliance Officer, The University of Texas at Tyler.

June 2, 2020

- Internal controls (ICs) are not as scary or technical as you may think. You are likely using them in your institutional compliance program already. We will uncover the true definition and intent of ICs so they are easier to understand, design, and apply
- We will discuss and share examples of how to balance different types of internal controls—including compliance activities you may not have considered to be controls, such as technology, procedures, and training—to build a strong compliance structure
- We will review how you can use commonly available tools and reference guides, such as the federal “Green Book,” the HCCA-OIG Resource Guide, and the Internal Control Integrated Framework to establish an effective, controls-based compliance program
