

# Measuring the Effectiveness of a Compliance Program Using the DOJ Guidance

---

Joseph F. Zielinski, Senior Counsel, Wooden McLaughlin LLP.

April 1, 2020

- Discussion and analysis of the three “fundamental questions” that according to the DOJ guidance should be asked to determine the effectiveness of a compliance program
- How the DOJ’s guidance specifically calls out various elements associated with a compliance program and what questions are asked to further assess how well these elements are contributing to the effectiveness of a compliance program
- See and receive a tool that you can use to apply a data driven approach to assess how effectively your compliance programs aligns with the DOJ’s guidance on the effectiveness of a compliance program
