

The Relationship Between Lawyers and Their Healthcare Clients: A Perspective from Both Sides of the Equation

Debra Geroux, Shareholder, Butzel Long. Joan Podleski, Chief Privacy Officer, Children's Health System of Texas.

April 9, 2019

- A Lawyer's Perspective: Discussion of the lawyer's role as a business & legal counselor, the privileges that apply to the dual roles and the duties and obligations of the lawyer to protect the client's information under ethical and legal consideration
- A Provider's Perspective: Discussion of what providers should look for and assurances they should seek when engaging outside counsel and the laws that apply to the relationship
- Understanding the distinction between lawyers in compliance roles and lawyers in legal roles
