

Report on Supply Chain Compliance Volume 3, Number 19. October 01, 2020

AP investigation finds forced labor in palm oil industry

By Sascha Matuszak

The Associated Press (AP) has been actively investigating forced labor conditions in supply chains for several years. [A recent investigation^{\[1\]}](#) into palm oil plantations in Southeast Asia found that many workers were routinely forced to hand over their passports; were not paid commensurate with the work they were doing; and, when workers tried to stand up for their rights, they were threatened or harassed.
