

Report on Medicare Compliance Volume 28, Number 3. January 28, 2019 RMC News Briefs: Jan. 28, 2019

By Nina Youngstrom

◆ After rescinding an *MLN Matters* on the removal of total knee arthroplasty (TKA) from Medicare's inpatient-only list and the application of the two-midnight rule on Jan. 11, CMS reissued it Jan. 24. The *MLN Matters* includes examples and answers to frequently asked questions. CMS apparently rescinded because of errors, but there are a few in the new version, according to Ronald Hirsch, M.D., vice president of R1 RCM. Visit <https://go.cms.gov/2RE2Spj>.
