

Compliance Today – March 2020 Home Health monitoring

By John Falcetano

John Falcetano (john.falcetano@brooksrehab.org) is Director Corporate Compliance at Brooks Health System in Jacksonville, FL.

A critical element of any effective compliance program is monitoring. As a service to our members, each month this column focuses on potential monitors for specific business lines.

An important regulatory requirement for compliance professionals who work at home health agencies is monitoring documentation in the medical records of the physicians or non-physician practitioners (NPPs) to support claims submission.
