

## Report on Supply Chain Compliance Volume 3, Number 19. October 01, 2020 CISA claims Chinese hackers have infiltrated US systems

By Sascha Matuszak

The U.S. Cybersecurity and Infrastructure Security Agency (CISA) released an advisory on Sept. 14 that claimed that Chinese state actors were using known vulnerabilities to penetrate U.S. systems. According to the advisory, the Chinese Ministry of State Security (MSS) is heavily involved in the cyberespionage. The key takeaways are:
